

Fun Day 2020 Cookie contest:

What: Enter your favorite cookie in our Fun Day Contest.

How:

- Make 2 dozen
- Save one for display and cut the rest up into tiny bitesize pieces (many people will want to try them!)
- Place them on a platter and wrap to keep fresh
- Make an index card label with the type of cookie and tape it to the platter (Don't put your name on it!)
- Bring to the Community Hall, upstairs, after the parade
- Find the Cookie logger and write your name and get a number sticker
- Place the number sticker on the front of your index card so people can write it down

Judging will begin when all the cookies have been logged and set up on the tables.

Remember to pick up your platter.
